

First Annual West Michigan Aviation Academy Science Olympiad Invitational

January 19, 2019

West Michigan Aviation Academy

5363 44th St. SE

Grand Rapids, MI 49512

The inaugural WMAASO Invitational will be hosted at West Michigan Aviation Academy, located at Gerald R. Ford International Airport.

We are seeking to provide an opportunity for Division C Science Olympiad teams to gain competition experience prior to the regional, state, and national Science Olympiad competitions.

By participating in the WMAASO Invitational, each team agrees to supervise one event and bring the supplies, tests, answer key, and equipment necessary to run that event. If your school is bringing multiple teams, you will be expected to supervise the same number of events unless we get more than 23 schools. In this case, you will be relieved of your second event on a first-paid basis.

At the end of the day, each team will receive a full set of blank tests, your students' tests, and the answer keys for each event. This is to help your team to learn from their experience at the WMAASO Invitational in order to be better prepared for future competitions.

The cost for each school's main team is \$75, and the cost for each alternate team is \$60. All teams must be registered and paid by December 21.

Make checks payable to West Michigan Aviation Academy.

All teams participating in the WMAASO Invitational need to register with Michigan Science Olympiad. The membership fee must be paid prior to participating in any competition.

For registration information, please visit invitational.WMAAScienceO.org
