- Each team will be responsible for supervising one event. Meaning, each team must bring the tests, answer keys, and equipment to run that event. Teams cancelling at the last minute and leaving events un-manned will not be invited back to the tournament.
- Why participate? At the end of the day, not only has your team experienced what it will be like at regionals, but also each team will receive a full set of blank tests, the students' tests, and the answer keys for each event.

• The cost to compete is \$75 per team (cost is the same for alternate teams) and all registration materials must be received by January 1, 2018. Cancellation will forfeit registration cost. No refunds.

Entries are honored on a first come-first serve basis. Email to reserve a spot! **We have to limit to 48 teams.**

"All teams participating in an Invitational tournament need to register with Michigan Science Olympiad. The membership fee must be paid prior to participating in any competition."
