

HASLETT DIVISION C SCIENCE OLYMPIAD INVITATIONAL

JANUARY 27, 2018
HASLETT HIGH SCHOOL

Cost for participation is \$65 per team.
Late registration is \$90 and will be accepted as space allows.

Please register online at <http://haslettsciolyinvitational.weebly.com/registration-info.html>.
Make the check out to Haslett High School. Checks must be postmarked by January 1st, 2018.

Mail to: Mary Meierfrankenfeld
968 Cliffdale Dr.
Haslett, MI 48840

Schools may bring as many teams as they would like, that may earn medals, but may only receive a trophy for the highest scoring team.

We would like to hold **Source Code** if someone signs up to run it. If you would be willing to run Source Code, please include that on the registration form in the list of events you would be willing to run.

Each **team** will prepare; bring all the supplies for, including enough copies of the test; proctor; and grade one event. Please send in a digital copy of the test and answer key four days prior to competition.

After the tournament, each team will receive all their students' tests and a digital copy of all tests and answer keys and raw scores.

Bonus: The Eastside Invitational is being held on the same date. We have agreed to exchange tests afterward so all teams from both invites will receive all tests and answer keys from both invites.

Exploring the World of Science

All teams participating in an invitational tournament need to register with their state Science Olympiad. The membership fee must be paid prior to participating in any competition. If schools would like to bring more than one team, each team must be registered with their state office.

As the invitational nears, updated information will be posted on <http://haslettsciolyinvitational.weebly.com>
