

HASLETT DIVISION C SCIENCE OLYMPIAD INVITATIONAL

JANUARY 28, 2017
HASLETT HIGH SCHOOL

Cost for participation is \$65 per team.

Late registrations are \$90 and will be accepted as space allows.

Registration form and fees need to be postmarked by Jan, 1, 2017.

Please fill out the "Save Us a Spot!" online form at

<http://haslettsciolyinvitational.weebly.com/registration-info.html>

Schools may bring as many teams as they would like, but may only receive a trophy for the highest scoring team.

Each **team** will prepare; bring all the supplies for, including enough copies of the test; proctor; and grade one event. Please send in a digital copy of the test and answer key four days prior to competition. After the tournament, each team will receive all their students' tests and a digital copy of all tests and answer keys.

Although this is the 1st Annual Haslett Science Olympiad Invitational, we had a great response when I spoke with teams at their Regionals and at States, and so we expect a good turnout. Additionally, some of the Haslett High School Science teachers and other experts in the community have agreed to prepare tests and we will cover every event.

All teams participating in an invitational tournament need to register with their state Science Olympiad. The membership fee must be paid prior to participating in any competition. If schools would like to bring more than one team, each team must be registered with their state office.

As the invitational nears, updated information will be posted on
