

West Ottawa H.S. – Holland, MI
 Science Olympiad Invitational
 Saturday, February 3, 2018

The **WOSO Invitational** will be hosted at our
West Ottawa High School Campus.

Our purpose is to provide an additional opportunity for competition for **Division B or C teams.**

Each participating school agrees to supervise one event and bring the supplies, tests, answer key, and equipment to run that event. **If you are bringing two teams, you will be expected to supervise two events unless we get enough schools. In this case, you will be removed off your second event on a *first registered, first paid* basis.**

At the end of the day, each team will receive a full set of blank tests, your students' tests, and the answer keys for each event. Our team has found participation at invitational to be one of the best ways to improve our performance.

Cost is \$75 and all registration materials must be received by January 20, 2018.
 Make checks payable to: **West Ottawa Public Schools**

All teams participating in the WOSO Invitational need to register with Michigan Science Olympiad. The membership fee must be paid prior to participating in any competition
