

Michigan Herp List (*threatened, endangered, or species of special concern)

Suborder Serpentes

(http://www.michigan.gov/dnr/0,4570,7-153-10370_12145_12201-61219--,00.html)

Family Colubridae

- **Clonophis kirtlandii* – Kirtland’s snake
- Coluber constrictor* – Blue Racer
- Diadophis punctatus edwardsii* – Northern Ring-necked snake
- Lampropeltis triangulum* – Eastern Milk snake
- Heterodon platirhinos* – Eastern Hog-nosed snake
- **Nerodia erthrogaster neglecta* – Copper bellied water snake
- Nerodia sipedon* – Northern water snake
- Opheodrys vernalis* – smooth green snake
- Pantherophis vulpina* – western Fox snake
- **Pantherophis gloydi* – eastern fox snake
- **Pantherophis obsoleta* – Black (grey) rat snake
- Regina septemvittata* – Queen snake
- Storeria dekayi* – Northern Brown snake
- Storeria occipitomaculata* – Northern Red-bellied snake
- Thamnophis butleri* – butler’s garter snake
- Thamnophis sauritus septentrionalis* – Northern Ribbon snake
- Thamnophis sirtalis*– Easter garter snake

Family Viperidae

- **Sistrurus catenatus catenatus* - Eastern Massasauga Rattlesnake

Suborder Squamata

- Aspidoscelis sexlineatus* – six-lined racerunner
- Plestiodon fasciatus* – Five-lined skink

Order Testudines (Chelonia)

(http://www.michigan.gov/dnr/0,4570,7-153-10370_12145_12201-60656--,00.html)

- Apalone spinifera* – Eastern spiny softshell turtle
- Chrysemys picta* – Painted turtle
- **Clemmys guttata* – spotted turtle
- Chelydra serpentina* – Eastern snapping turtle
- **Emydoidea blandingii* – Blandings’s Turtle
- **Glyptemys insculpta* – Wood turtle
- Graptemys geographica* – Northern Map turtle
- Sternotherus odoratus* – Musk turtle
- **Terrapene carolina carolina* – Eastern Box turtle
- Trachemys scripta elegans* – red-eared slider

Class Amphibia

(http://www.michigan.gov/dnr/0,4570,7-153-10370_12145_12201-35089--,00.html)

Family Anura

- * *Acris crepitans blanchardi* – Blanchard's Cricket Frog
- Bufo americanus* – American toad
- * *Bufo fowleri* – Fowler's Toad
- Hyla chrysocelis* – Cope's Grey Treefrog
- Hyla versicolor* – Eastern Grey Treefrog
- Rana catesbeiana* – Bullfrog
- Rana clamitans melanota* – Green frog
- Rana palustris* – Pickerel Frog
- * *Rana pipiens* – northern leopard frog
- Rana septentrionalis* – Mink frog
- Rana sylvatica* – Wood Frog
- * *Pseudacris triseriata maculata* – Boreal Chorus Frog
- Pseudacris triseriata triseriata* – Western Chorus Frog
- Pseudacris crucifer* – Northern Spring Peeper

Family caudata

(http://www.michigan.gov/dnr/0,4570,7-153-10370_12145_12201-61141--,00.html)

- * *Ambystoma laterale* – blue-spotted salamander
- * *Ambystoma maculatum* – spotted salamander
- * *Ambystoma opacum* – Marbled salamander
- * *Ambystoma texanum* – small-mouthed salamander
- * *Ambystoma tigrinum tigrinum* – Eastern tiger salamander
- Desmognathus fuscus* – northern dusky salamander
- Eurycea cirrigera* – Southern two-lined salamander
- Hemidactylium scutatum* – Four toed salamander
- * *Necturus maculosus* - Mudpuppy
- Notophthalmus viridescens* – Eastern newt
- Plethodon cinereus* – Eastern red-backed salamander
- Siren intermedia nettingi* – Western Lesser Siren
